

FOR YOUR FUTURE

You'll want:

- A great pension
- To know that your family are protected
- A tax free lump sum

SECURE YOUR FUTURE

Your employer is legally obliged to enrol you in a pension scheme every 3 years.

You will have the option to leave the scheme again right away.

But if you leave right away you'll miss out on a more secure future.

THE LOCAL GOVERNMENT PENSION SCHEME CAN HELP SECURE YOUR FUTURE BY PROVIDING:

- a pension based on your pensionable pay
- a pension that keeps pace with inflation
- a pension for your surviving spouse or partner on your death
- a tax free lump sum in exchange for some of your pension
- death in service protection of three times your pensionable pay as a tax free lump sum
- an ill health pension paid from any age provided you have two years' service but are permanently unable to work

Your employer will pay most of the cost and your own contributions are tax free.

YOU WON'T DO BETTER FOR YOUR FUTURE
