Pensions Increase & Revaluation 2025

The rate to be used for the 2025/26 annual revaluation of Career Average Revalued Earnings (CARE) benefits accrued in the 2018 Local Government Pension Scheme (Scotland) is **1.7%**.

The increase to public service pensions will take effect from 7th April 2025.

Pension Scams

After a long process to make sure we can follow the principles, SPF has now signed the pension scams pledge to raise awareness of the risks, educate ourselves and protect our members.

LGPC Bulletin

The LGPC has published bulletin [260](#)

Local Authority Accounts

We've emailed, this afternoon, our regular contacts to those employers who request pensions figures to assist with their reporting requirements in respect of the Local Authority Accounts (Scotland) Regulations.

If you have any questions around this, please contact George Maclver (George.Maclver@glasgow.gov.uk) in the first instance.
